If you have the latest edition, please go online.barronsbooks.com to access the online assets of your book. To find the latest editions of Barron's entire test preparatory book line, the store is on Barronseduc.com. The ® program and the Advanced Placement program are registered trademarks of the College Board, which has not participated in the production and does not approve of this product. The AP Spanish language and culture exam consists of two sections. The first of these is a multiple choice, has 65 questions, lasts about 95 minutes, and counts on 50% of the total exam score. The first 30 questions are based on printed texts, and the last 35 are based on audio texts. The second section is a free answer. It consists of 8 questions, lasts about 80 minutes, and counts on 50% of the total exam score. You should write an email response, write a compelling essay, verbally compare culture, and engage in a simulated conversation. The College Board provides a free example of test questions, so click here if you want to check them out. Next exam date: Tuesday, May 8, 2018The last time the exam changedThe exam was changed during the 2013-2014 school year. Best Book Review - Cracking A.. Spanish language and culture exam, 2018 Edition We recommend purchasing a Princeton Review AP Spanish language book to learn the exam format and find out where your weaknesses lie. The book comes with a free audio CD to you practice for talking and listening sections of the exam, and also has scoring guidelines that the College Board uses when classifying your questions free of answer. The book even has translations for all test practice excerpts and questions, and it comes with 2 full-length practical tests with detailed explanations of the answer. The store is now on on Prep Book - Barron's AP Spanish Language and Culture, 9th Edition (w/MP3 CD) Let's face it, it's pretty hard to learn the language just by reading about it. That's why we believe that the best AP Spanish language and culture prep book is actually made by Barron, since it includes an actual audio component. The grammatical instructions in the book are a bit dim and not as good as the Princeton review book, but we really like the MP3 CD and think it's well worth the money. If you are serious about getting 5 on your AP Spanish exam, then be sure to pick up both of our recommendation books above. Shop Now on AmazonIf you already know Spanish, then all you have to do is look at the Princeton Review book to get used to the exam format and the way the questions are asked and you should be able to get 5.However, if you don't already know, but you want to pass the AP exam in a few years, here's what we suggest: We recommend buying this Spanish course and completing it completely. After all, you should be able to communicate comfortably and understand Spanish.You can also buy this course, which is much cheaper but will still serve the same purpose: you will be able to understand spoken Spanish by the end of it, And you will be able to speak Spanish.After you finish one of the above courses, we recommend buying Easy Spanish step-by-step book and looking through it to make sure you know all the grammatical concepts in the book and you can conjugate the verbs in it.
